

August COMMIT TO LEARNING

Young person reads for pleasure three
or more hours per week

As families and community members we have the ability to help children build a strong foundation for future success!

Assets are about knowing you and what you are: a valuable, worthwhile person with many talents.

Here are some easy ways to make that difference to youth in your life.

Youth—

- Visit the library on a regular basis.
- Create a book-a-month club. Have everyone (friends/family) read the book, then discuss it.

Adults—

- Don't underestimate the importance of reading. It is vital to our current and future success.
- Learn about another culture.
