CITIZENSHIP

Service to others makes a difference at home and in the community

As families and community members we have the ability to help children build a strong foundation for future success!

Assets are about knowing you and what you are: a valuable, worthwhile person with many talents.

Here are some easy ways to make that difference to youth in your life.

Youth—

- Help take care of the environment.
- Become involved in Vacation Bible School or civic activities.

Adults—

- Set aside some time each night for family activities.
- Create a list of free and fun things to do this summer.
