

# 2019-2020 Funded Programs & Community Initiatives

**United Way of Seneca County**

Not only are we able to leverage every donation received in order to increase its community impact, we make certain that all investments remain dedicated to Seneca County residents. Each year, the UWSC Community Investment Committee works hard to ensure that all funded programs & initiatives not only meet strict standards for governance, financial management, operations, diversity and inclusiveness, but also that all UWSC funds are specifically used to support Seneca County residents only.
