OBSERVANCE OF LAWS/ RESTRAINT

Young person believes it is important to make healthy choices and avoid risky behaviors

As families and community members we have the ability to help children build a strong foundation for future success!

Assets are about knowing you and what you are: a valuable, worthwhile person with many talents.

Here are some easy ways to make that difference to youth in your life.

Youth—

- Be smart about what you put in your body.
- Avoid situations that include risky behaviors.
- Learn about the risks of using drugs and alcohol.

Adults—

- Model responsible behavior.
- Maintain open communication with your child.
- Know your child's friends and their parents.
